

## NORTHWESTERN GUN CLUB IDPA SHOOT DATES FOR 2011

Match dates for the upcoming season have been established. All matches will be held on Sundays at 10:00 am. Each match will have a side match to be fired after the main match. Match fees will remain at \$10 including sales tax. In addition, we will host one Steel Challenge type match and one IDPA Classifier Match this year. Shooters new to IDPA and action shooting sports must attend an orientation that will be held at 09:00 am the day of the match. A waiver of liability must be signed by competitors and spectators prior to participating. Eye and ear protection is required as well. We can always use and always appreciate a helping hand in setting up and tearing down of the range so feel free to come early and stay late!
